**6-th International Conference**  
**«Prospects of Civil Avionics Development»**  
**July 22, 2021**

Dear Colleagues,

State Research Institute of Aviation Systems (GosNIIAS) is pleased to invite you to the 6-th International Conference **“Prospects of Civil Avionics Development”** which is to be held within the frame of MAKS-2021 Air Show on **July 22, 2021**.

Advanced achievements and developments in the field of highly integrated avionics and general aircraft systems based on distributed modular electronics (DME) for next-generation aircraft, including supersonic civil aircraft, general aviation and unmanned aerial vehicles, will be discussed at this event.

The Conference will highlight advances in the following areas:

1. Next-generation technologies and development tools for avionics.
2. Next-generation architectural and hardware solutions for avionics.
3. Next-generation aircraft cockpit equipment.
4. New functionality of avionics and general aircraft systems.

Due to current travelling restrictions the Conference will be organized as a face-to-face meeting at GosNIIAS facility and an on-line event. Participation is free.

We invite you to participate in the Conference as a speaker or with a poster.

Please submit the informative abstracts to the e-mail [info-ved@gosniias.ru](mailto:info-ved@gosniias.ru) until **May 31, 2021**.

For further information, please visit the dedicated web page at <http://www.modern-avionics.com/our-events/conferences-workshops/>.

Conference address: Russia, Moscow, 7, Victorenko street, GosNIIAS (Business center).

We look forward seeing you in Moscow.

**Evgeny Fedosov**

Director, Strategic Research & Technologies

GosNIIAS
